

How to get here

You do not need a permit to park on campus on Saturday.

The map coordinates for the J.L. Knight Physics Building are S-2 to T-2. The Wilder Auditorium is the circled item on the map (coordinates T-2).

If you do not have a map then you can look at one of whole campus and a blowup at

<http://www.miami.edu/home/maps/campusmap.html>

<http://www.miami.edu/home/maps/upperright.html>

Coming from north of the university

Take US 1 south and make a right turn at Red Road (SW 57 Ave). You will now be going north. Make a right turn at Miller Rd (SW 56 St). Turn left when Miller Rd ends at the UM campus. You will now be on San Amaro Dr. Proceed along San Amaro Dr until you see a sign that says J.L. Knight Physics Bldg and park in the parking lot labelled 102 in the map. You may also continue along San Amaro to the next parking lot which has a sign that says Wilder Auditorium. This is the parking lot labelled 1-109 in front of the Art Building. The Wilder Auditorium is the circled item on the map (coordinates T-2).
